WILLIAM S. LEAVITT FEATURED IN SEPTEMBER, 2009 ISSUE OF DR. MARC FABER'S *THE GLOOM, BOOM & DOOM REPORT*.

Northbrook, September 23, 2009 – William S. Leavitt, President of **Leavitt Capital Management, Inc.**, has been featured in the September 2009 issue of *The Gloom, Boom & Doom Report*, written by Dr. Marc Faber.

In addition to publishing this monthly newsletter, Dr. Faber is the author of *Tomorrow's Gold: Asia's Age of Discovery*. He is a member of the Barron's Roundtable which is a collection of investment industry titans. Dr. Faber is also one of the most sought-after speakers at investment conferences around the world.

"I am honored to be recognized in this prestigious publication," said Mr. Leavitt. "My goal is to continuously enhance the investment opportunities and the level of service provided to our clients."

Founded in 1985, **Leavitt Capital Management, Inc.** is a Northbrook, Illinois based independent investment advisory firm that manages approximately \$500 million in assets. It provides professional investment management services for high net worth individuals and families across the country.

Mr. Leavitt is a member of the American, Illinois, and Chicago Bar Associations, the Investment Analysts Society of Chicago, the Association for Investment Management and Research and the American Bar Association Committee on Investments (Section of Real Property, Probate and Trust Law). Mr. Leavitt's comments on alternative investments have also been mentioned in the Wall Street Journal, Financial News Network, Emerging Markets Week, MAR HEDGE, Smart Money Online, TheStreet.com and ABCNews.com.
